# FLORALWALL™ SP SERIES WITH REACH-IN

FLORALWALL™ refrigerated displays offer advanced design features that provide unmatched superiority in styling, performance and durability. Exclusive features include Floraline's patented self-watering/self-cleaning system that extends product shelf life and reduces shrink of floral bouquets and cut flowers. This industry-first feature minimizes maintenance and frees your personnel for more important tasks.

The SP series with Reach-in Unit offers the combined benefits of a modular, open-front floral merchandiser and a doored section. This combination case is elegantly designed for maximum product visibility and impulse buying.

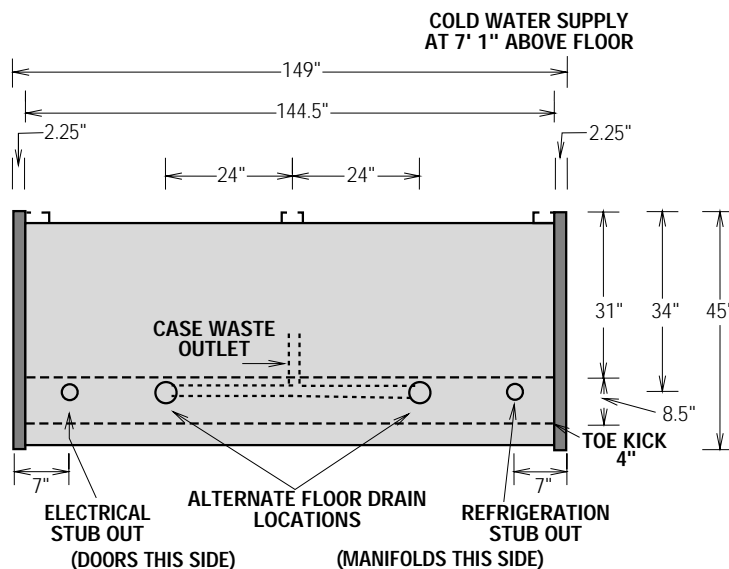

## STANDARD FEATURES
